### FAVORITE PART OF UNCG

I love UNCG because the faculty are so involved and genuinely care about their students. They have provided me with many opportunities regarding my prospective career. Whether I'm learning a new piece of repertoire or struggling to edit a clip, they are always available to help when needed. Many have guided me and encouraged me to step out of my comfort zone. For example, I have applied for internships, gained partnerships and I have even joined organizations such as Carmichael Studios and Sigma Alpha Iota (an International Music Sorority, my Minor).

### A MESSAGE OF THANKS

I want to thank my generous scholarship donors for this wonderful opportunity to further my education and goals. At first, I was hesitant to switch majors, however, this award further boosted my confidence in knowing that I chose the right path. In addition, I am grateful for the constant support from my single mother as well as the UNCG faculty staff. Overall, UNCG has provided me with a sense of community and life long friendships. Thank you very much!

Thank you
